CONFERENCE BROCHURE

AOSBI

Asian Oceanian Society
of Breast Imaging

MESSAGE FROM THE PRESIDENT, AOSBI

A Historic First Gathering of the AOSBI Community

We are delighted to announce the Inaugural Asian Oceanian Society of Breast Imaging (AOSBI) Congress, to be held from 31 July to 2 August 2026 in the vibrant and culturally rich country of India.

This landmark meeting will bring together breast imaging experts, clinicians, technologists, physicists, and researchers from across Asia and beyond for an exceptional scientific exchange. The congress aims to showcase the latest advances in breast imaging, image-guided interventions, screening strategies, and innovations that are shaping the future of breast cancer care.

Designed as a true scientific bonanza, the program will feature state-of-the-art lectures, interactive discussions, multidisciplinary perspectives, and opportunities for collaboration among professionals dedicated to improving breast health in our region.

Beyond the academic experience, participants will also enjoy the warm hospitality, cultural diversity, and vibrant spirit of India, making this congress not only intellectually enriching but also personally memorable.

We warmly invite breast care professionals from across the Asian-Oceanian region and around the world to join us for this historic gathering. Together, let us build meaningful collaborations, exchange knowledge, and strengthen our collective commitment to the ultimate goal of improving breast care and outcomes for women across our region. Come, be part of this important beginning and help make the Inaugural AOSBI Congress a resounding success.

Warm regards,

Dr Niketa Chota
President
AOSBI

AOSBI

Asian Oceanian Society
of Breast Imaging

MESSAGE FROM THE ORGANIZING CHAIRPERSON, AOSBI 2026

It is my great pleasure and privilege to welcome you to the Inaugural Congress of the Asian Oceanian Society of Breast Imaging (AOSBI) 2026, being held in New Delhi – NCR.

This landmark meeting marks the beginning of a collaborative journey that brings together breast imaging specialists from across Asia and Oceania under one unified platform. Guided by our theme, “One Region, Many Voices: Advancing Breast Imaging Across Asia,” this congress reflects our shared commitment to excellence and innovation.

The scientific program has been thoughtfully curated to encompass a wide spectrum of contemporary topics—from foundational principles to cutting-edge advances—featuring distinguished international and regional faculty. It is designed not only to enhance knowledge and skills but also to foster meaningful dialogue, collaboration, and future partnerships across borders.

We are especially delighted to host you in the vibrant and culturally rich setting of Delhi NCR. Beyond the academic sessions, we hope you will enjoy the warmth of our hospitality and the opportunity to connect with colleagues and friends from across the region.

On behalf of the organizing committee, I extend my heartfelt gratitude to all faculty, delegates, partners, and supporters whose contributions have made this inaugural congress possible.

We look forward to an inspiring and memorable meeting together.

Warm regards,

Dr Madhavi Chandra
Organizing Chair
AOSBI 2026

AOSBI

Asian Oceanian Society
of Breast Imaging

WELCOME MESSAGE FROM THE ORGANIZING COMMITTEE

Dear Esteemed Colleagues,

On behalf of the organizing Committee, it is our privilege to invite you to the Inaugural Congress of the Asian Oceanian Society of Breast Imaging (AOSBI 2026), to be held from 31 July to 2 August 2026 in New Delhi, India.

This inaugural edition represents a significant step forward in uniting the breast imaging community across the Asian-Oceanian region. As the field evolves quickly, AOSBI 2026 will be a forward-looking platform for dialogue, innovation, and shared learning among professionals committed to excellence in breast care.

The conference will feature a comprehensive scientific agenda covering contemporary practices, emerging technologies, and evolving perspectives in breast imaging and diagnostics. Through expert-led sessions, collaborative discussions, and practical insights, participants will gain valuable knowledge to enhance both clinical practice and research.

Equally, we look forward to offering you an engaging experience beyond the conference halls. New Delhi, a city where tradition meets modernity, provides the perfect setting to connect, explore, and build lasting professional relationships.

As we embark on this exciting journey together, we invite you to contribute, collaborate, and be a part of shaping the future of breast imaging in our region.

We eagerly await your participation in making AOSBI 2026 a truly impactful and memorable event.

Warm regards,
Organizing Committee

PROVISIONAL* SCIENTIFIC SCHEDULE

**While this represents the complete Program at the moment, topics and timings are subject to change at the discretion of the Scientific and Organizing Committees of the AOSBI 2026.*

Preconference Workshop Day 31st July (Friday)

BI-RADS Bootcamp Schedule

Time	Session
8:00-8:30	The BI-RADS Mammography Lexicon
8:30-9:00	The BI-RADS Ultrasound Lexicon
9:00-9:30	The BI-RADS MRI Lexicon
9:30-9:45	The BI-RADS Contrast Enhanced Mammography Lexicon
9:45-10:00	Tea Break

Time	Location					
	Pearl Ballroom 1	Pearl Ballroom 2	Maple 1	Maple 2	Royal 1	Royal 2
10:00-11:00	DBT Group 1	CEM Group 2	MRI Group 3	Mammography Positioning Group 4	USG Interventions & VABB Group 5	AI Group 6
11:00-12:00	CEM Group 1	DBT Group 2	MRI Group 6	Mammography Positioning Group 5	USG Interventions & VABB Group 4	AI Group 3
12:00-1:00	CEM Group 5	DBT Group 6	MRI Group 2	Mammography Positioning Group 1	USG Interventions & VABB Group 3	AI Group 4
1:00-2:00	Lunch Break					
2:00-3:00	DBT Group 3	DBT Group 5	MRI Group 4	Mammography Positioning Group 6	USG Interventions & VABB Group 1	AI Group 2
3:00-4:00	CEM Group 3	DBT Group 4	MRI Group 1	Mammography Positioning Group 2	USG Interventions & VABB Group 6	AI Group 5
4:00-5:00	CEM Group 4	CEM Group 6	MRI Group 5	Mammography Positioning Group 3	USG Interventions & VABB Group 2	AI Group 1

Limited seats per group

PROVISIONAL* SCIENTIFIC SCHEDULE

**While this represents the complete Program at the moment, topics and timings are subject to change at the discretion of the Scientific and Organizing Committees of the AOSBI 2026.*

Day 1, 1st August 2026 - Hall A	
8:45-9:00	Welcome Address
SESSION I - THE NEW BI-RADS PLAYBOOK v 2025	
9:00-9:20	Updates to the BI-RADS Lexicon for Mammography and Tomosynthesis
9:20-9:40	BI-RADS Ultrasound: What's New in the Latest Manual
9:40-10:00	Recent Changes in the BI-RADS MRI Lexicon: What Radiologists Need to Know
10:00 - 10:20	Contrast Enhanced Mammography Lexicon 2022 - An Introduction
10:20-11:00	INAUGURATION
11:00-11:20	Tea Break
SESSION II - COMMON DILEMMAS CLARIFIED	
11:20-11:55	BI-RADS FAQ - Common Questions and Pitfalls in the Application of BI-RADS
11:55-12:00	INDUSTRY TALK - TBA
12:00-12:20	Imaging DCIS: How Radiologists Guide MDT Management
12:20-12:40	Radiology-Pathology Correlation: Illustrative Case Vignettes
12:40-1:15	PRE LUNCH SYMPOSIUM
1:15-2:00	NETWORKING LUNCH
SESSION III - PARADIGM SHIFT - BEYOND MORPHOLOGY	
2:00-2:20	CEM vs MRI - Jockeying for the Throne
2:20-2:40	Advances in Breast MRI
2:40-3:00	Breast MRI- Problem Solver or Problem Maker ?
3:00-3:20	Predicting Response: MRI Biomarkers in Neoadjuvant Therapy
3:20-3:25	INDUSTRY TALK - TBA
3:25-3:35	QA
3:35-4:20	Hereditary Breast Cancer: Screening and Management - A Multidisciplinary Perspective - Panel Discussion

PROVISIONAL* SCIENTIFIC SCHEDULE

**While this represents the complete Program at the moment, topics and timings are subject to change at the discretion of the Scientific and Organizing Committees of the AOSBI 2026.*

4:20-4:45	TEA
SESSION IV - ASIAN PERSPECTIVE	
4:45-5:15	Screening Across Asia: One Continent, Many Realities. Singapore/ India/ Egypt
5:15-5:45	US, CEM or Abbreviated MRI as a supplemental screening modality in resource constrained countries? - Debate 3 speakers
5:45-6:05	Wrap up on Asian Perspective
6:05-6:20	QA

Day 1, 1st Aug 2026 - HALL B

TILL 11:20 AM COMMON SESSION IN PLENARY HALL

SESSION I - BACK TO BASICS: GETTING EVERYDAY BREAST IMAGING RIGHT

11:20-11:40	Elastography in Breast imaging - Useful or Useless?
11:40-12:00	The Language of Calcium: Decoding Microcalcification Patterns in Mammography
12:00-12:20	Untangling Asymmetries & Architectural Distortion
12:20-12:40	Lessons learned from Missed Breast Cancers
12:40 - 1:15	PRE LUNCH SYMPOSIUM IN Plenary Hall
1:15-2:00	Networking Lunch

PROVISIONAL* SCIENTIFIC SCHEDULE

**While this represents the complete Program at the moment, topics and timings are subject to change at the discretion of the Scientific and Organizing Committees of the AOSBI 2026.*

SESSION II - COMPLEX IMAGING MADE SIMPLE

2:00-2:20	Cystic Breast Masses
2:20-2:40	Nipple Discharge : A Practical Imaging & Management Approach
2:40-3:00	Imaging in Pregnancy & Lactation
3:00-3:20	TBA
3:20-3:40	Staging of Breast Cancer as per the AJCC 8th Edition
3:40-4:00	Scars, Flaps & Fillers: Imaging the Reconstructed Breast
4:00-4:20	QA
4:20-4:45	TEA
4:45-6:30	Proffered Papers - 12 Best Selected Papers

Day 2, 2nd Aug 2026 - HALL A

SESSION I - WHERE EXPERIENCE MATTERS

9:00-9:20	Matching Imaging Modality to Clinical Needs
9:20-9:40	Axillary Ultrasound - State of the Art
9:40-10:00	IGM- The Great Mimicker
10:00-10:20	BWUP of the Breast: Imaging, Risk Stratification & Management
10:20-10:25	INDUSTRY TALK
10:25-10:35	QA
10:35-11:00	TEA

PROVISIONAL* SCIENTIFIC SCHEDULE

**While this represents the complete Program at the moment, topics and timings are subject to change at the discretion of the Scientific and Organizing Committees of the AOSBI 2026.*

SESSION II - EMERGING TRENDS IN BREAST IMAGING

11:00-11:20	Multimodality imaging in ILC
11:20-11:40	FAPI: The Next Frontier
11:40-12:00	CEM Screening
12:00-12:20	Targeting the Conventionally Unseen: Technique and Impact of CEM-Guided Breast Biopsy
12.20-12:55	From Needle to Knife: Role of clips in Surgical planning - BD
1:00 - 2:00	Lunch

SESSION III - THE FUTURE IS HERE

2:00-2:20	Artificial Intelligence in Mammography and Breast Ultrasound: Current Applications and Future Directions
2:20-2:40	Deep Learning vs Deep Experience: Can AI replace Breast Imagers

SESSION IV FINALE

2:45-4:00	Grand QUIZ
4:00-4:30	Valedictory function & Awards for Best Papers

PROVISIONAL* SCIENTIFIC SCHEDULE

**While this represents the complete Program at the moment, topics and timings are subject to change at the discretion of the Scientific and Organizing Committees of the AOSBI 2026.*

Day 2, 2nd Aug 2026 – HALL B

SESSION I – INTERVENTIONS & REAL-WORLD BREAST IMAGING CHALLENGES

9:00- 9:20	Wire and Non-Wire localisation Techniques
9:20-9:40	Difficult biopsies- tips and tricks
9:40-10:00	MRI Guided Biopsy
10:00 - 10:20	MR directed USG - Avoiding MR Guided Biopsy
10:20 - 10:40	Beyond Imaging: The Radiologist's Role in Lifestyle Based Breast Cancer Prevention
10:40 - 11:00	Breaking Bad News
11:00 - 11:10	QA
11:10 - 11:30	TEA
11:30 - 12:15	Multimodality Case review with Audience Participation
12:20 - 12:55	Common (Pre-lunch Symposium) with Plenary Hall
1:00 - 2:00	Networking Lunch
2:00 - 4:30	Coffee with the Stalwarts - Networking Session

ABSTRACT SUBMISSION

Paper Guidelines

- Registration for the conference is mandatory for the presenting author.
- The topic should be related to breast imaging and interventions only.
- An abstract which has been previously published cannot be submitted.
- Abstracts considered for the paper must be original research. We discourage submission of case reports, except for some exceptional cases.
- There are two submission categories:
- 1. Scientific – Original research must be submitted under this category.
- 2. Educational – Submissions in this category will be considered as E-Posters.
- To start the abstract, include the name of the presenting author first, followed by up to five co-authors, and finally, the name of the institution.
- The abstract should be structured using the following subheadings: Title, Introduction, Aim and objectives, Materials and Methods, Results and Conclusion. Maximum 1 table and/or figure may be added.
- The abstract should be written in English and must not exceed 250 words.
- Submissions that are not in the prescribed format will not be entertained. Before submitting, make sure to complete all necessary changes, corrections, and proofreading.
- All abstracts must be sent through email (aosbicongress2026@gmail.com). Abstract submission deadline will be 15.6.2026 12 am IST midnight. Late submissions will not be considered for review.
- The submitting (corresponding) author will receive all notifications regarding the abstract.
- No abstract content changes will be allowed after the final submission.
- The Educational Committee will review all abstracts based on their scientific value, potential clinical value, and originality. The authors and institution details will be concealed for evaluation purposes. The final acceptance of each abstract will be determined by the committee.
- Authors will be notified of acceptance/rejection by 30.6.2026.
- Accepted papers must be prepared in Microsoft PowerPoint (PPT) format (using the official template attached below) and must be submitted via email on or before 15.7.2026, 12 am IST midnight, after receipt of the acceptance email.
- Kindly note that oral presentation will be limited strictly to ten best papers selected by the Scientific Committee and notified. The selected authors will be notified accordingly. Total time allotted: 8 minutes for presentation; 2 minutes for questions and discussion.
- Strict adherence to time limits is mandatory.
- All other accepted papers will be included in the conference proceedings under the display (non-oral) category.
- Certificates will be awarded to all accepted papers (oral and non-oral category).

ABSTRACT SUBMISSION

e-Poster guidelines

- Registration for the conference is mandatory for the presenting author.
- The topic should be related to breast imaging and interventions only.
- Research studies, case reports/ series, pictorial essays can be submitted for consideration as e-poster.
- An abstract which has been previously published cannot be submitted.
- To start the abstract, include the name of the presenting author first, followed by up to five co-authors, and finally, the name of the institution.
- Abstract should be structured as following:
- Research studies: Title, Introduction, Aim and objectives, Materials and Methods, Results and Conclusion.
- Case reports/ series/ pictorial essays: Title, Introduction, Imaging findings, Discussion and Conclusion.
- The abstract should be written in English and must not exceed 250 words.
- Submissions that are not in the prescribed format will not be entertained.
- Before submitting, make sure to complete all necessary changes, corrections, and proofreading.
- All abstracts must be sent through email aosbicongress2026@gmail.com. Abstract submission deadline will be 15.6.2026 12 am IST midnight. Late submissions will not be considered for review.
- The submitting (corresponding) author will receive all notifications regarding the abstract.
- No abstract content changes will be allowed after the final submission.
- The Educational Committee will review all abstracts based on their scientific value, potential clinical value, and originality. The authors and institution details will be concealed for evaluation purposes. The final acceptance of each abstract will be determined by the committee.
- Authors will be notified of acceptance/rejection by 30.6.2026.
- The final e-poster presentation (prepared using the official template attached below) must be submitted via email on or before 15.7.2026, 12 am IST midnight, after receipt of the acceptance email.
- Educational posters must be in electronic format and will be displayed on a digital screen at the conference venue.
- Certificates will be awarded to all accepted e-posters.
